

Business email, intranet and apps for only \$15 per month?

managed technology

FFF Managed Technology brings you business email, intranet and applications, powered by Google Apps, for the one low price of \$15 per user per month. A cost effective, enterprise-class service for businesses of all sizes - from 1 to 10,000 users.

Unlimited Support

- NZ-based helpdesk
- Unlimited remote support (business hours)
- On-site and after-hours options available

Business Email

- Huge 25GB email storage per user
- Your own email domain (i.e. 'yourcompany.co.nz')
- Outlook support
- SPAM filter and antivirus
- Comprehensive webmail
- Secure instant messaging
- Full smart phone integration
- Shared calendars

Intranet Services

- Secure intranet site
- 1GB storage for each users documents
- 10GB (+500MB per user) storage for shared files

Ditch Microsoft Office!

- Google Apps for every user (word processing, spreadsheet, groupware and presentation apps)
- Save in Microsoft Office formats or PDF
- Secure real-time collaboration

Stable and Secure

- 99.9% uptime, 24 x 7
- Data backed up and replicated between two enterprise data centres
- Data encryption & security management

All for the one low price of \$15 per user per month!

Easy Migration

Seamless migration performed remotely for only \$50 per user
